### 5. Warm Tips:

Please note that this USB-C adapter supports transfer speeds of up to 5Gbps on one side only. To achieve optimal performance, ensure the following conditions are met:

- (1) All connected devices (including the cable, phone, computer, etc.) must support 5Gbps data transfer.
- (2) The length of the adapter cable must not exceed 1 meter.
- (3) If you're not getting the expected speed, try flipping the USB-C connector and reconnecting—it may need to be inserted the other way.
